To whom it may concern,

We are very pleased to have Western Pa. Career Transition Services of Job Corps as a part of our Chamber. They have a wonderful training program for many careers that young people need, to succeed in today's society. We have a great relationship with their school. We are able to work together and help them market their students to our many members who are looking to fill positions.

Thank you for the opportunity to boast about Western Pa. Career Transition Services.

Yours Truly,

**Sara A. Werner
